

Progressive Mortgage Application Form (Editable) pdf – Broker Process

How to complete and securely submit an application

Before you start: Have the completed Application Form and all Supporting Documents ready. The maximum size for each submission is 30 MB.

1. Download the **Progressive Mortgage Application Form (Editable)**

- Go to the **Progressive for Intermediaries – Support & Literature** page [Open website](#)
- Select **Support & Literature** at the top right of the page.
- Scroll to **Forms and applications**, select
- **Progressive Mortgage Application Form (Editable)** and download the PDF.
- Go to your downloads folders in **File Explorer** and select the downloaded application form
- Copy or move the form to your desired folder for your client and rename the document as you require (eg Name and reference) before entering any information.

2. Complete and save the form

- Open the renamed document and start to complete all relevant sections of the Application Form. Please ensure the form is fully completed. We will not be able to process any applications without a confirmed Declaration Page.
- Save the completed form on your computer.
- Check that the form opens correctly and that your entered information has been saved.

3. Submit the Application Form and Supporting Documents

Use the Society's online Contact Us form to submit the application securely. Click on the following link to go to the contact us form
